City Tacos revamps menu: City Tacos is introducing some new menu items for diners to enjoy alongside the restaurant's classic picks. Try the Scallop Dream Taco, made with flambéed scallops topped with Mexican squash, green onions, bacon, pepper cream and cotija cheese, or the Veganlicious Fysh Taco, made with a plant-based filet wrapped in a corn tortilla and topped with cucumbers, pickled onions, arugula, serrano chiles and roasted peanuts, and finished with a house garlic lime vegan aioli. *City Tacos has seven San Diego locations.* citytacossd.com
